

# **Privacy 2020: Understanding What's Changing In Data Regulation and Analytics**

**John Edwards – Privacy Commissioner**

If you  
torture the data  
long enough,

it will confess  
to anything.

Ronald Coase

### **Can I record a meeting with my boss or employee?**

If you are intending to tape record a conversation with your employer, you should have clear reasons for doing so. Likewise if you are an employer intending to record a conversation with an employee...

---

### **Can an employer record workplace phone calls?**

Yes. But if an employer records phone calls, they should make sure staff and customers have been advised at some point that the calls are being recorded. That's because the Privacy Act say...

---

### **Can I record a meeting with a client?**

You can record a meeting with a client or an employee, but you need to be upfront and tell him or her that you would like to do that. Employers should seek legal advice before using covert...
