Hack 7.1 Avoiding File Lock

- Created in 2011
- Ning platform
- Over 2,000 members
- Engaged audience
- BUT... looks, feels 'old'
- Limited capabilities

Where We're Going...

- Beta-testing over the summer, launch Q1 2019
- Part of larger SAS communities
- Lithium platform
- Connects directly to SAS Profile
- A blank canvas

Please watch this video from Communities Manager, Matt Malczewski, for guidelines and a code of conduct. Welcome!

Programming tips from the experts

In this video, six Canadian SAS programmers, with more than 115 years of SAS programming experience between them, share some of their favorite, little-known SAS programming tips. You're sure to discover a new trick or two.

Exciting News for SAS Customers

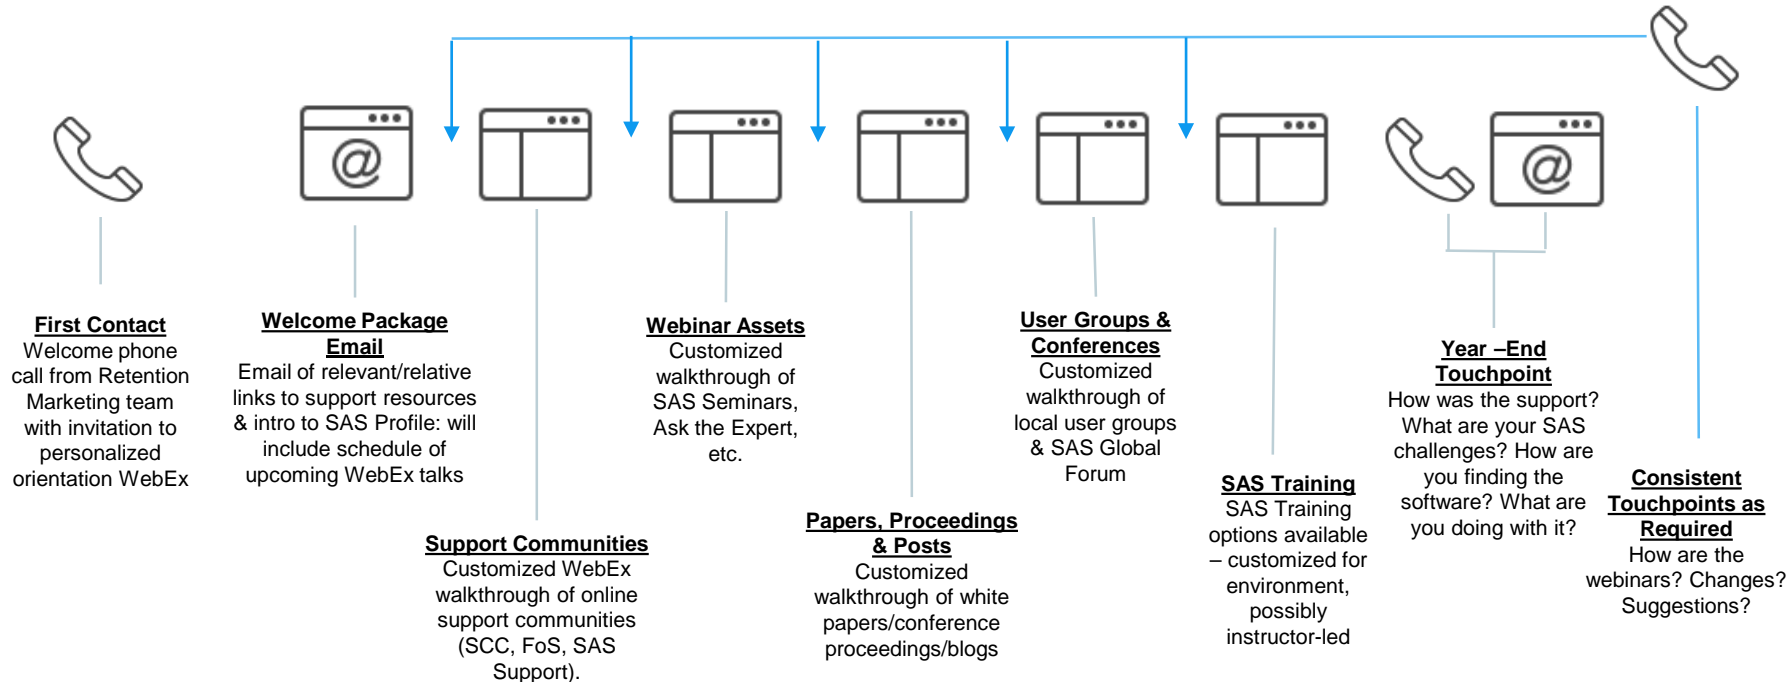

- Ever feel overwhelmed as a newer (or long-time) SAS user when facing all the support options available?
- Lots of options – not so great with wayfinding
- Which is best for *me*?
- How do I search?
- What is the value/benefit?
- Why should I bother?

Introducing...

SAS Support Onboarding Program

- Developed here in Canada
- Designed for newer SAS customers... but also, for seasoned experts that want some guidance around navigating SAS Support
- SAS has a *responsibility* to help our customers find value in their investment
- We can achieve this by facilitating...
 - Comfort with the tools/solutions
 - Guidance through support and knowledge landscape
 - Dialogue around challenges/opportunities
 - Connection points with other SAS users

Persona: User/Practitioner (6 Month Process)

Sound Interesting?

- Email Matt Malczewski at matt.malczewski@sas.com
- If personalized onboarding can't be arranged, assets can certainly be shared!

Introducing...

- Alexandra Jovicic – your new user group program support
- Alexandra.jovicic@sas.com

Thanks!

Matt.malczewski@sas.com
